## WINTER SPORTS, DINNER, DANCE, FEATURES OF WINTER CARNIVAL

Skiing, skating, tobogganing, and dancing will highlight the Third Annual Holy Cross Outing Club Winter Carnival to be held on February 7 and 8. To promote a festive atmosphere, Chairman John P. Burke, '53, also has disclosed that various regional clubs will construct snow statues and compete for prizes being offered by the committee.

Festivities will end with a jazz concert Sunday afternoon at the Hillcrest Country Club. Tentative plans call for the customary reception at the Hotel Sheraton on Saturday afternoon and a dinner dance that evening at the Hillcrest Country Club. The crowning of the queen will highlight the dance and favors will be distributed. A sleigh ride is also being planned along with a program of winter sports. Bus transportation from the Sheraton to the Country Club for the dinner dance Saturday evening will be supplied.

Tickets for the Carnival will go on sale after exams. Students will also be able to get hotel reservations at that time with these reservations being made on campus, not at the Sheraton.

Aside from Chairman Burke, the committee consists of Joseph F. Moio, '53, vice-chairman; Brendan V. Sullivan, '55, tickets; Alfred R. Persi, '53, favors; Joseph A. McHugh, '54, and Owen S. Marley, '54, activities; William A. Riordan, '55, publicity; Noel C. Painchaud, '54, skiing activities; and William F. O'Shea, '55, accommodations.

In the past, lack of snow has interfered with the Carnival activities, but this year plans are being made so that a full weekend will be had, with or without snow.

## CROSS & SCROLL BEGINS DRIVE

A drive to sell tickets to its Lecture Series is the latest of the re-organizational plans of the Cross and Scroll, according to Rev. Ernest B. Foley, S.J., moderator. The purpose of the campaign is to effect a return to the former tradition of student financial support of the series. This custom has not been in effect during the past two seasons.

Outstanding in the series are the Fenwick Lectures, which have become an important feature in the college year. Names suggested for this year's series include Carlos P. Romulo, Philippine Foreign Minister and chief UN delegate; Oscar Halecki, famous historian and political scientist and author of several books on Poland, who is currently teaching at Fordham; and Dr. Thomas Brackland, prominent Catholic psychiatrist.

Well-known figures in the fields of journalism, letters, and government are under consideration for the individual lectures to fill out the series.

Single tickets for each lecture will not be sold. Admission can be had only by the purchase of a ticket for the entire series at the cost of \$1.00. Tickets may be obtained from members who will canvass the corridors and in the P.O. on February 2, 3, and 4.

## Dorton Leads New Tomahawk Staff; Thirteen Senior Editors End Term

Leonard V. Quigley, '53, retiring TOMAHAWK Editor, relinquishes his chair to incoming Editor, Robert E. Dorton, '54, after the announcement earlier this week. Dorton will assume his duties as new THAWK chief with the next issue, following the examination period.

Leonard V. Quigley, '53, Editor-in-Chief of the TOMAHAWK has announced the election of Robert E. Dorton, '54, to succeed him as Editor. The eight-man managing board of the paper, composed of the chief editors, elected Dorton this week to direct the 30th volume of the TOMAHAWK, as 13 seniors vacated editorial positions.

Dorton served as Sports Editor previous to his new appointment. He has also held the position of Radio News Editor and was a member of the Sports staff. The new editor, who hails from West Orange, New Jersey, is an A.B. English student. While at St. Peter's Prep in Jersey City, Dorton served as Editor of "The Petroc," the high school paper and was school correspondent for the local city papers. He also was assistant sports editor of his class yearbook, a position he also holds in the 1953 Purple Patcher.

### Seniors Retire

Robert S. Curry, a native of Winchester, Mass., retires as Associate Editor while Philip R. Dunn, who hails from Holyoke, Mass., vacates the position of Managing Editor.

Peter C. O'Donnell, from Scarsdale, N. Y., leaves the post of News Editor. The retiring Editorial Editor is James H. Snyder, a resident of Dushore, Pa., and Thomas A. Brennan, a native of Neponset, N. Y., bows out as Features Editor, while Francis X. Stankard vacates the Business desk. Stankard, also a resident of Long Island, N. Y., takes with him Robert F. Rickert, Advertising Manager.

Richard B. Treanor, from Jamaica Plain, Mass., vacates the post of Makeup Editor. Proof reading department loses its director as Paul A. Nelson of Ridgefield, Conn., retires as Copy Editor. Robert E. Unsworth resigns as Assistant Sports Editor. The position of Office Manager was held by Lenard J. Kendall from Hartford, Conn. William F. Glavin leaves the post of Circulation Manager.

This election marks the earliest change of staff thus far achieved in recent TOMAHAWK history. This policy will enable the outgoing Senior members to advise the new staff in its early issues.

## GOAL SET FOR BLOOD DONORS

Crusaders will have an opportunity to give a positive demonstration of their patriotism on February 16 and 17, and again on March 2, 3, and 4, as the Student Government and Purple Key once again sponsor a Blood Drive. This year's goal has been set at 1,000 pints.

The current drive will be directed by Harry W. Dwyer, '54, of the Purple Key, and Robert E. Boardman, '54, of the Student Government. Denis E. O'Connor, '53, director of last year's drive, will advise the new chairmen, while Reverend Michael J. Pierce S.J., Executive Assistant to the President, will co-ordinate the program.

Last year's drive, which yielded more than 500 pints, represented the best collegiate record, percentage-wise, at the time. Twenty-eight per cent of the total enrollment, both student and faculty, contributed to the drive in spite of the very hazardous weather conditions which prevailed that day. 628 Crusaders pledged their blood.

The collection, supervised by volunteer and professional Red Cross workers, will be held once again in the Fieldhouse. The February dates have been arranged in order to avoid conflict with the Navy physical exams later in the month.

All students under 21 years of age must have written parental permission before making a donation. Application blanks will be distributed in the near future by corridor representatives.

## DEAN ANNOUNCES APPOINTMENT OF 4 JUNIORS, 3 SENIORS TO ALPHA SIGMA NU FRATERNITY

Six of the newly elected members of Alpha Sigma Nu gather after their appointment. They are, left to right: Robert J. Finn, '54, John J. Grady, '54, Leonard V. Quigley, '53, Joseph J. Corry, '54, John D. O'Connell, '53, and Paul L. Guiffre, '54. Earle L. Markey, '53, is absent from the picture.

Reverend James E. FitzGerald, S.J., Dean of studies, recently released the new appointments of three Seniors and four Juniors to the Alpha Sigma Nu, Jesuit honor fraternity. They are John D. O'Connell, '53, Leonard V. Quigley, '53, Earle L. Markey, '53, Joseph J. Corry, '54, Paul L. Guiffre, '54, John J. O'Grady, '54, and Robert J. Finn, '54.

The Alpha Sigma Nu has as its purpose the promotion of the ends of Jesuit education, both now and in the future. Members are selected by the Rector, Dean, and current members of the Society on the basis of loyalty, service, and scholarship. The fraternity is established on a nation-wide level in most Jesuit colleges. Holy Cross is limited to seven Senior and four Junior members at any one time.

Present members of the society are Alexander J. Burke, '53, president; Robert J. Meyer, '53, vice-president; Richard F. Doyle, '53, secretary; and Robert W. Simmons, '53, treasurer. Activities of the society at Holy Cross embrace conferences with the Dean (Turn to Page Six)

## Weekly Calendar

### JANUARY

- 17: M.L.T.-Holy Cross swimming meet at M.L.T.
- 20: Term Examinations.
- 31: Columbia basketball game at Worcester Auditorium.

### FEBRUARY

- 2: Second semester begins.
- 3: Yale basketball game at New Haven.
- 4-5: CRA Advertising Clinic.

## -Editorials-

— 30 —

This does it. With this issue, we close the cover of Volume XXIX of the TOMAHAWK, and put it in its place in the green locker. With a sigh, we push ourselves back from our cluttered desks, press our rulers and pencils into the hot hands of our successors, and climb up out of the depths of lower Carlin for the last time. During the past twenty-four issues of the TOMAHAWK, we have endeavored to present you with a newspaper of which you could be proud, a newspaper truly representative of Holy Cross life and Holy Cross men. Sometimes we have failed, and you have quickly made it known to us. Sometimes we have succeeded, and your appreciation amply rewarded our efforts.

In striving for this goal, we found our path made easy at every point by the help and consideration of others, and we owe our gratitude and sincere appreciation to many: to Father Rector and the Administration for their constant cooperation; to our moderators Father Madden and Father Harrington for their thoughtful advice and enthusiastic concern over our efforts; to The Stobbs Press, Inc. and Johnson Engravers, who consistently did more than was asked of them; to our national and local advertisers; to all campus organizations and their leaders; and to you, our readers, for the interest you have shown in us.

But the biggest bouquet we have saved for last. This one goes to our staff, whose unselfish labors have made these Thursday night issues realities. We cannot list all 140 names, but we do feel that much should be said here of the loyalty and ability of the senior editors of Volume XXIX: of Pete O'Donnell in News and Jim Snyder in Editorials; of Tom Brennan in Features and Dick Treanor in Makeup; of Frank Stankard and Bob Riekert in Business and Advertising; of Bob Curry, Associate Editor, and Phil Dunn, Managing Editor; of Paul Nelson in Copy and Bob Unsworth in Sports; of Bill Glavin, Circulation Manager, and Len Kendall, Office Manager; and, in a special way, of Dick Kiernan, whose subtle wit has enlivened these pages. These, then, are the men who have been willing to sacrifice their averages and their sleep to present Holy Cross with a student newspaper. It is to them that our readers owe their thanks for whatever success we have achieved.

In leaving, we wish to extend our congratulations and wishes of best luck to Bob Dorton and his staff. We have no fears for the future of the TOMAHAWK. Volume XXX rests in capable hands.

### HOCKEY COMES BACK

Occasionally something happens in this rut-ridden life of ours that makes us sit up with admiration and incoherently spout words of praise in the general direction of those we feel responsible for this gratifying action. Such an event has been in the process of occurring for several months. It all started when Father Glavin of the Athletic Association sadly announced that it would be impossible to continue the operations of the hockey team for another year. The event picked up steam when the likes of Captain Austie Leary and Tom King fought and hustled to prevent the death of their favorite sport on the Holy Cross campus.

The difficulties of hockey at Holy Cross are fairly obvious. In the last three years there had never been more than a week of good ice down on the tennis courts, where the hockey rink is located. The team was forced to do its practicing in the big rinks of Springfield and Boston at ridiculous hours of the morning. But in the past the team has been willing to make that kind of sacrifice for the love of sport. This year, however, certain conditions made it impossible to go to the big rinks. And it was these conditions that forced the AA to announce the demise of hockey.

But the senior members of the team found an outdoor rink at Elm Park in Worcester, have found convenient afternoon hours to practice, have rounded up a fairly good organization, and are already trying to line up matches with local colleges in their class. Our hats are off to the hockey team—men who have shown the deepest, most wonderful kind of Holy Cross spirit.

## Sneak Preview

### SATURDAY'S MOVIE

"Because You're Mine"

Cast: Mario Lanza, Doretta Morrow, James Whittemore, Dean Miller.  
Plot: An opera star drafted into the Army is pursued by complications arising from his fame.

Comment: It's Mario Lanza in the Army, that is in "Because You're Mine," Saturday's feature. And in this hilarious situation, which almost invariably occurs, under one circumstance or another, to virtually every young male movie star, he has such unusual adventures as running afoul of a brass-lunged martinet, and falling in love with the top sergeant's sister.

As a matter of fact, though in the Army, it is carefully arranged that Mr. Lanza should sing throughout the picture, at roughly five-minute intervals. And that is both happy and intelligent for Mr. Lanza delivering a song is a great deal more entertaining than Mr. Lanza delivering a gag, especially the sort written for him.

It is not that Mr. Lanza's delivery or the gags are really poor, or that the story in which they cozily nestle is in any way hard to take. It is just that the lot of them—the story, the gags and Mario's aplomb in playing what is supposed to be funny—are a little obvious and banal.

Still, it is really Mr. Lanza's singing of a trio of new popular songs, and a whole repertoire of opera snatches, plus a superb rendition of "The Lord's Prayer," that should and will attract attention to this Technicolor film.

## Biblical Fix Thwarted By Opponents' Bat boy

By Stan Joyce

And it came to pass that the people of the land were in a frenzy. For indeed, the appointed day of the contest between the Davids and the Goliaths was drawing near. And every day, the shop of Costellus, the local bookmaker, was filled to overflow, for indeed the children of Israel were out to make a fast denarius by backing their team, the Davids, against the Goliaths.

Now it was rumored throughout the land that this character Costellus was a shrewd man, and indeed it was true. He had been banished from Rome by the Emperor's Gambling Investigation Committee when one Estes, an enterprising quaestor, discovered him arranging the results of the chariot races before they took place. And so it was that this Costellus journeyed far across the earth to the land of the children of Israel.

And on the eve of the big game, when the people of the land were sleeping, a candle could be seen shining forth from the shop of Costellus. And in truth, this was very unusual, for it was known by all that there is nothing dearer to the heart of Costellus than his sleep, unless of course, it is a wager that has been duly arranged beforehand.

Voices could be heard from within: "Goliath, I am indeed finished. The people of Israel are a hard lot. They are tight enough on their purse-strings and yet they have quite swamped the board on tomorrow's contest between thy team and the Davids. Forsooth, if thou lovest, I

If you did all the studying over Christmas that you promised yourself you'd do, the coming exams don't even phase you. However, if you're like the rest, you're a little worried about the exams, and here we are to help you out of that little difficulty. By close observance of the following set of rules, you should have no trouble in getting straight "A's".

(1) Find the exam schedule printed this week and learn where your tests are. You won't do as well in your marks if you accidentally walk into the wrong room and take the wrong exam. (Although we must admit that from time to time we feel we'd do MUCH better taking the wrong exam than the one we're scheduled for.) (2) Try to find a copy of the textbook used in the course. In the past, professors have been known to consult the textbooks in making out the exams. (3) Learn the location of the library. Many acquaintances have informed us that it's a fine place to study. If you can't find the library, you probably won't pass anyhow, so forget it. (4) Obtain a copy of the test that your professor gave last year. This NEVER does any good, but it might give you some confidence. (5) Attempt to find out the matter that will be asked on the exam. This can be done by either asking sly, cleverly-phrased questions of the professor or by breaking into the professor's room and stealing the exam. If you intend to pursue the latter course, wear a mask and a Navy pea-jacket. Look how long it took them to solve the Brink's robbery! By the time they catch you, you will have graduated. (6) (This is the infallible rule, and the one that absolutely guarantees good marks): you should study during the term.

\* \* \* \*

With this column(sic) we close our career on the TOMAHAWK. Because Bob Simmons owed us a large sum of money, we forced him to give us this spot when he became Editor last year. When Bob resigned to give his attention to the business of the NFCCS, we feared that we would be out of a job. Fortunately, Len Quigley couldn't find anything to fit in this spot, and we continued.

But now new blood is taking over. Bob Dorton and staff are moving in and Quigley and Co. move out, dragging us along. And so, packing up our beaten typewriter and our bag full of quips, jests and laugh-provoking hi-jinks, we turn—wiping a tear from our eye—and follow our old, dispossessed Editor out into the cold snow and the colder world. Alone and forgotten, we stand in the slush with snow about our ears and sigh.

## MARIGOLD PAJAMAS & STRAUSS ENHANCE "THE ROOMERS' HOUR"

By Dan Gorman

Toward the end of the evening, long after the last Kimball burp has been burped, and the sleepy-eyed exiles of the library have roused themselves, passed inspection, and made their respective ways back to their respective dorms—I say long after this, there comes an hour known to all at Holy Cross—well, to a few—as "The Roomers' Hour." It is a little later than the "Children's Hour," that hour so precious to the weary father, so cherished by the frolicking tots, but it is no less revered (in retrospect) by the faculty and students of Mount St. James. For it is this hour whose sweetness soothes the bitter memories—the Saturday night movie at Kimball, the stag dances, Strauss waltzes, cold-cuts, dusty P.O.'s—and smoothes over the almost indelible scars they have left on our memories.

How fresh and jolly we feel at that "Roomers' Hour!" Even though

we've been numb all day, then we're vigorous and eloquent. Maybe it's the marigold pajamas; perhaps this condition springs from a sense of relief that comes when the rigors of the day are over and our sneakers are tenderly tucked away. Maybe it's caused by that nice feeling that swims about the heart when we hear the warming roar of friends. But no matter; whatever it is that makes us that way, that's the way we are.

For then, at that hour, all over the campus, from Kimball to Carlin and back again, you can feel the various structures reverberate—vibrate! In Wheeler, long and heated debates on matters of faith and morals are fought out, while in remote corners meaningful letters with masterly innuendos are constructed between bites on a garlic grinder. The heterogeneous mass in Alumni spend this hour—for the most part—deliberating upon the true value of

(Turn to Page Ten)

## ROBERT J. MEYER, '53, SCORES HIT IN SHAKESPEARE'S "RICHARD II"

Robert J. Meyer, '53, as the weakling monarch in the Dramatic Society's production of Shakespeare's "Richard II," returns from Ireland to the shores of Wales to find his nobles in an uprising and his crown being snatched by a rebellious kinsman, Henry Bolingbroke.

By Ken O'Brien

This is the third time I have had the pleasure of reviewing a Dramatic Society production which featured Robert J. Meyer, '53, and I am ashamed to say that I am running out of adjectives with which to describe Mr. Meyer's performances. Let it suffice to say that Meyer has come up with another outstanding portrayal in his usual fashion as Shakespeare's tragic sovereign, Richard II. Meyer develops the character of the weak and vain monarch with varying moods and degrees of vigour and gusto through his gradual maturing

which culminates with his death scene in the last act.

Shakespeare's Richard is a sentimental ruler who lives largely in dreams and shadows, and all of Meyer's versatile ability was demanded and delivered in his performance.

The Dramatic Society's production of the bard's famous history which ran for three performances on last Saturday, Monday and Tuesday evenings in Fenwick Auditorium, is by far the best Shakespearean production which I have seen them act. They wisely chose Edwin Booth's

(Turn to Page Six)

## HUB CLUB ANNOUNCES PLANS FOR HOLIDAY DANCE AT SHELTON

Four hours of smooth danceable music will highlight the term holidays in Boston at the Boston Club's dance at the Shelton Roof on January 30, from 9 p.m. to 1 a.m.

The co-chairmen of the dance, Joseph A. McHugh, '54, and Albert E. Block, '54, disclosed that the music for the evening will be provided by Bob Gately and his five-piece orchestra.

Paul F. Dupuis, '54, the ticket chairman, announced that tickets will be \$1.00 for Boston Club members and \$1.25 for non-members. Club representatives will canvass the corridors within the next few days and tickets will also be available at the door.

## H.C. GRID STARS K. of C. GUESTS

Holy Cross grid stars, Chet Millet and Joe O'Brien, were featured guests at the annual "Sports Night" of the Springfield Knights of Columbus Tuesday evening. The Crusader Council was also represented and showed movies of several of last season's games.

Rev. Joseph F. Busam, S.J., chaplain of the Crusader Council, was also present and gave a talk to the younger halves of the father-son combinations on student life here on Mt. St. James. Members who did not have sons of their own played host to boys from the Brightside Orphanage for the evening.

Other guests included Rt. Rev. Msgr. George S. L. Connors, vicar-general of the Springfield Diocese, and several local high school coaches.

## NFCCS TO OFFER SUMMER TOURS

Guaranteed to be the finest both in economy and variety in the entire student travel market, the National Federation of Catholic College Students offers for the summer of 1953 a program which includes five low-cost comprehensive tours of Europe and Mexico.

Highlighting all of these tours is a proposed audience with Pope Pius XII at Castel Gondolfo and a tour of Vatican City during a four-day stay in Rome. Three of the tours include participation in the Torchlight Procession at the Shrine of Our Lady of Lourdes. Four tours which range in length from 27 to 49 days compose the new European program. Countries visited in these tours include Ireland, France, Italy, Switzerland, Belgium, Luxembourg, Germany, Spain, and Holland.

Four airplanes, especially chartered for this occasion, will provide the major part of the trans-Atlantic trip. Chartered motor coach service will provide transportation facilities both in Europe and Mexico.

Each group will include an NFCCS chaplain who will say Mass and hear confessions, and an English-speaking guide who will travel throughout the entire length of the tour. It is hoped that these arrangements will give each participant a true knowledge of the people and customs of the countries visited.

Posters providing important information on the 1953 Summer Travel program have been posted throughout the campus. Students seeking applications should see Edward A. Wetzel, '55, campus representative for these tours.

## Cross and Scroll to Sponsor Panel Talks

Reverend Ernest B. Foley, S.J., moderator of the Cross and Scroll, this week announced the system under which the newly inaugurated discussion panel of that organization will function.

The subject matter for the discussion will be drawn from articles in the recent issues of *Cross Currents* magazine, a quarterly review to explore the implications of Christianity for our times. A faculty moderator and a student chairman will preside over each discussion. The faculty moderator, invited because of his knowledge in the particular field under discussion, will act as a consultant.

Father Foley has appointed two committees. One committee will assist him in securing speakers for future general lectures. This group includes Louis E. Buckley, Jr., '54, James L. Fahey, '54, Robert S. Curry, '53, Richard F. Doyle, '53, Louis A. Craco, '54, Francis J. Larkin, '54, and John M. Gibbons, '54. The other committee will have the responsibility of organizing and conducting the panels. Robert E. Dalton, '53, John W. Weiser, '53, James H. Snyder, '53, Paul F. Donahue, '53, William J. Kiernan, '53, Harry C. Jacobson, '53, and Leonard V. Quigley, '53, will make up this committee.

The first discussion is scheduled for February 12. George E. Dube, '53, will serve as chairman. "On Consulting the Faithful in Matters of Doctrine," by John Henry Cardinal Newman, is listed as the first article to be considered.

## Only Time will Tell...

Test  
**CAMELS**  
for 30 days  
for **MILDNESS**  
and **FLAVOR!**

THERE MUST BE A REASON WHY Camel is America's most popular cigarette—leading all other brands by billions! Camels have the two things smokers want most—rich, full flavor and cool, cool mildness...pack after pack! Try Camels for 30 days and see how mild, how flavorful, how thoroughly enjoyable they are as your steady smoke!

More People Smoke Camels THAN ANY OTHER CIGARETTE!

Winston-Salem,  
N.C.

## Sodalists' Christmas Activities Successful

A spiritual bouquet from each of the eighteen dormitory corridors of Holy Cross and large quantities of clothing were sent to missions in Jamaica, Baghdad, and the Carolines as the result of the Christmastime drives of the Sodality Mission Committee.

The mission group of Sodalists was also successful in selling eighty boxes of Christmas cards which were produced by the missions. These cards were sold without profit in the interest of emphasizing the religious aspect of Christmas.

The Mission Committee plans for the coming year will center around active support of the Jesuit Mission at Baghdad. Proceeds from stamp-collecting drives and weekly mission collections will be sent to Father Thomas Hussy, S.J., head of the Baghdad mission.

Father Hussy, a graduate of Holy Cross and a native of Worcester, is at the present time building a mission chapel. Representatives of the Sodality Mission Committee will urge all members of the student body to contribute to the success of this project by supporting the weekly mission collections.

## Prom Committee Signs Decoration Contract

"Judging by the amount of work and energy the various committees have expended so far, the 1954 Junior Prom should top anything thus far seen at the Cross." This was the statement of Chairman Charles E. F. Millard, '54, in a summation of his satisfaction at the progress made on this year's Junior Prom.

Richard A. Guthrie, '54, Chairman of the Music Committee, has contacted the Music Corporation of America. The choice of the Junior class, Freddy Martin, was eliminated, as he will not be in the East during May, and a suitable replacement is being sought. Under consideration are Johnny Long, Sammy Kaye, and Charlie Spivak.

The chairman of the Decorations Committee, Bruce C. Hoeffel, '54, has drawn up plans and made an agreement with the New England Decorating Company of Boston.

There are many novel and unique ideas for the Prom weekend, and more are planned. Tickets will go on sale Tuesday, February 10.

The committee heads have been meeting bi-monthly in Wheeler Hall, with the next meeting being held tonight at 6:30. Weekly meetings will be held starting immediately after mid-term examinations.

## K of C TO EDIT SECOND ISSUE

Joseph M. McCarthy, '55, will head this year's staff of *The Gauntlet*, official news organ of the Crusader Council of the Knights of Columbus. The second issue of the magazine will make its appearance this week.

Patrick F. Golden, '55, Francis J. Larkin, '54, and Brendan V. Sullivan, '55, assist McCarthy as Managing Editor, News Editor, and Feature Editor, respectively. The News Staff consists of Thomas A. McGovern, '54, Donald J. Fussel, '55, Brien P. Gettings, '55, and Robert J. Goff, '55.

*The Gauntlet* was founded last year and was directed by John W. Spillane, '53, present Grand Knight and Paul M. Foan, '52. It is a combination literary and news magazine, carrying the official message of the Grand Knight, editorials, and features pertaining to sports, current events, and Catholic topics of general interest.

## WCHC SPOTLIGHT

WCHC will continue its regular broadcasting schedule through the remainder of this week. On tap this afternoon will be "Pete's Playhouse," a program designed to accompany your afternoon's relaxation. Pete Belanca spins discs from 4:00 to 5:00 from his familiar coffee shop in a comfortable manner.

This evening's card will be highlighted by a show which, since its inception earlier this semester, has become a "must" for all fun-loving Crusaders. This laugh-a-minute period of insanity is none other than Don Matthews' "Ye Smalle Roome." No one knows what to expect during this 25 minutes of nothing, so tune in at 8:05 and find out. At 8:30 your campus station takes delight in presenting "Radio Playshop." An outstanding and renowned story will be

dramatized by some of Holy Cross' most prominent thespians.

On Friday afternoon at four, students will be in for a real treat if they lend their ears to Laurie McCarthy's smooth recording show, "Star Time." Lately this talented newcomer has brightened many dull afternoons with his own particular style. What makes Laurie different from other disc jockeys is his interesting comments and inside stories on some of our top male and female vocalists.

At 8:30 Friday night the spotlight focuses upon Signor Weller and his musical variety show, "Cruising Crusader." Our world traveler will ride the sun-soaked paths of Italy this week in search of new adventures in the field of music.

Beginning on Monday, your campus station will operate on a limited scale. Music designed for studying will constitute the greatest part of the schedule during the weeks of exams.

## BJF GAINS TWO DEBATING WINS

The B.J.F. Debating Society twice emerged triumphant in two recent debates. Earlier Senior victories over the University of Connecticut and Canisius were followed by last Monday night's novice tourney at Worcester Polytech.

Under the supervision of Mr. Henry Murphy, S.J., the novice team in the Worcester Polytechnic Institute Novice Debating Tourney argued the national debate topic, "Resolved: That the Congress of the United States Should Enact a Compulsory Fair Employment Practice Law." Representing the B.J.F. were the two affirmative teams of Arthur W. Kane, '53, and Edward F. Donnelly, '53, and Francis J. Larkin, '54, and Herbert J. Heimerl, '54. Taking the negative were John C. Weimar, '54, and John J. O'Grady, '54, and Francis M. McDonald, '54, and Paul M. Higgins, '53. No decisions were rendered.

Smart students know just how to treat  
Mid-term anxiety.  
They take time out for Lucky Strike  
It's good psychology!

Herbert Walker  
Indiana University

Nothing-no, nothing-beats better taste

and **LUCKIES**  
**TASTE BETTER!**  
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?  
You know, yourself, you smoke for enjoyment.  
And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother!  
Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco.  
L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette...  
for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy—**GO LUCKY!**

Some hieroglyphics stumped a prof  
Of archaeology;  
But when he worked them out, they said  
That L.S./M.F.T.

Bernard F. Pierce  
University of California

In home ec, math, or chemistry,  
There's one thing you can't measure;  
It is a pack of Lucky Strike  
For deep-down smoking pleasure!

Lois Epstein  
Buffalo State Teachers College

### COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

## Frosh Orators Elect Vecherelli President

At its pre-Christmas meeting, the Freshman Debating Society elected its officers for the coming year. Joseph C. Vecherelli, '56, was chosen to officiate as president, while Walter C. Reid, '56, was elected vice-president. The new secretary for the organization will be Andrew F. Lane, '56.

Both Vecherelli, a native of Bridgeport, Conn., and his colleague, Reid, of Brooklyn, N. Y., are enrolled in the A.B. Pre-Med Honors course. Lane, in A.B. Greek Honors, hails from Newton Highlands, Mass.

At the first post-holiday meeting six freshmen engaged in the second debate of the season. The topic stood: "Resolved: That the Honor System on Examinations Should Be Adopted in All Colleges." Joseph C. Vecherelli, '56, Robert M. Davidson, '56, and John A. Kilcoyne, '56, upheld the affirmative position. Their opponents of the negative were Andrew F. Lane, '56, Michael J. Byrne, '56, and John J. Kalagher, '56. The judges, John P. McKenna, '56, William J. Volante, '56, and Walter C. Reid, '56, named the affirmative team victors and chose Robert M. Davidson, '56, as best speaker.

Future plans call for an open forum on universal military training before the examinations and, immediately following, a debate on the grant of scholarships with regard to need as well as merit.

## NAVY NOTES

The blood drive for NROTC students will take place on Monday, the 16th, and Tuesday, the 17th of February. All midshipmen are urged to give blood at this time, since the college drive will take place after the annual physical exam, and those who have received shots during the physical will not be allowed to give blood at this time. All those under twenty-one are reminded that their parents' permission is necessary.

Of interest to prospective Marines is the announcement that students signing up for the P.L.C. in their junior year can complete their two summers' training in one summer, and so receive immediate commission upon graduating. Another notice of importance is that those who enroll in the Officer Candidate course will be first class privates, instead of privates during their training period.

One hundred and eighty-two students, including many from Holy Cross, took the recent NROTC scholarship exam given here at Holy Cross, and various other centers throughout the country. Successful candidates will soon be notified and will then have to take a physical, and undergo several interviews. As in other years, 2,000 scholarships will be given, 1,800 to college students, and 200 to enlisted men in the Navy, and Navy Reserve.

**J. Paul Sheedy\* Switched to Wildroot Cream-Oil  
Because He Flunked The Finger-Nail Test**

HERE'S a sad Lobster tale. Sheedy was really in hot water. His girl kept saying, "The Maine thing I don't like about you is the way you put your hair! Haven't you red about Wildroot Cream-Boil Hair Tonic? Non-alcoholic. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test. Perfect for you 'claws you need Lanolin on that water-soaked hair." Paul got Wildroot Cream-Oil and now he shore looks slick. In fact, he's in salad with every girl on campus. So if you're net-tled about your messy hair, butter shell out 29¢ at any toilet goods counter for a bottle or tube of Wildroot Cream-Oil, "Your Hair's Best Friend." Ask for it at your barber's, antenna to one you'll be tickled pink!

on school matters, and assistance in forwarding the aims of the Cross and Scroll.

O'Connell, a Worcester native, heads the Senior Class scholastically. An A.B. Economics major, he also serves as president of the Day Students' Sodality and Editor of the French language newspaper *Le Croise*.

Present editor of the TOMAHAWK, Quigley is also a member of the Cross and Scroll. A native of Kansas City, Quigley is enrolled in the A.B. English course and is a Regular NROTC student.

Markey captains the basketball team, and majors in English in the A.B. course. He is secretary of the Purple Key, and an AFROTC student.

Another resident of the midwest, Joseph L. Corry, '54, from Milwaukee, serves as national vice-president of the NFCCS for social affairs. He was last year's football manager, and is a member of the Purple Key. Corry majors in Social Science in the B.S. course.

Guiffre will serve as 1954 editor of the *Purple Patcher*. The A.B. English major hails from Brooklyn, N. Y. He is in the Regular NROTC, and is a teacher in the Confraternity of Christian Doctrine.

An A.B. Political Science major, O'Grady was a graduate from

Cardinal Farley Academy in New York. He is a member of the BJC and the Christophers.

Finn makes his home in the Green Mountain state. A B.S. Education student, he heads the Dean's List for the Junior Class and teaches for the Confraternity of Christian Doctrine.

ball if it were presented to thee on a silver platter."

So were the words spoken. And indeed, the omens were not favorable to Costellus, the bookmaker, and Goliath. For lurking in the shadows was Noe, the batboy of the Davids, and upon hearing the conversation, he straightway took off for the tent of his captain.

And so it happened that when Costellus approached the tent of the captain of the Davids, he was greeted in a most unseemly fashion indeed. And to this day the fate of Costellus, the bookmaker, is not certain. And this came to pass unknown to Goliath.

The day of the match dawned bright and clear. The people of the land were beseeching the Davids to come home with the lamb chops (bacon was obviously out of order) even before the contest was underway.

Mighty Goliath strode confidently to the batter's circle and with a knowing look at David proceeded to fan the air with his club. And David on the other hand also looked knowingly at Goliath—indeed he glared at him. And of a sudden, with a mighty roar, he cast the sphere with unwavering accuracy at the head of Goliath, and in truth it felled him as he stood.

And so it came to pass, my friends, that David slew Goliath.

**"RICHARD II"—**

(Continued from Page Three)

considerably shortened stage edition of the work for their presentation.

However, the play with its numerous characters and changes of scene, presented staging challenges which they more than adequately met in view of their limitations. The settings were very impressive and the costuming was rich, colorful, and sufficiently regal.

Meyer did not give the only outstanding performance in the production. In the list of supporting players there were many excellent portrayals. Edgar J. Winters, '53, shone in his brief but masterful characterization of the aging John of Gaunt. It is really a shame that Shakespeare has him die so early in the tale, although he did so, very gracefully.

Another sagacious elder was portrayed by Robert J. Ghisays, '55, who delivered his lines with dignity and ease.

William E. Caldwell, '53, was very fine as the fiery young Henry Bolingbroke, later to be King Henry IV, as was Robert L. King, '55, as Northumberland, his forceful and outspoken "ladder to the throne."

Another brief but fine performance was that of William J. McDonough, '56, as Thomas Mowbray, Duke of Norfolk, who unfortunately was banished in the first scene. More than adequate performances were rendered by Edward J. McAniff, '56, as the Duke of Aumerle, Lawrence C. Rowe, '53, as the Bishop of Carlisle, Louis E. Buckley, '54, as Sir Henry Green, and Louis G. Pecek, '53, as Sir John Bagot.

Miss Diane E. Wheeler of the Clark University Players made an admirable Queen to Meyers' King. She read her lines well and had a fine Shakespearean bearing.

Credit is due to Stage Manager

Lawrence H. Schell, '54, Business Manager Daniel J. Belkile, '53, and to Pokardas C. Chatani, '54, Michael A. Berthier, '54, Peter W. Helfrich, '54, and Henry V. Zanetti, '53, for their fine backstage work.

The cast for William Shakespeare's "King Richard II," was as follows: Prologue, Edward J. Pike, '56; King Richard II, Robert J. Meyer, '53; Edmund of Langley, Duke of York; John of Gaunt, Duke of Lancaster; Uncles to the King, Robert J. Ghisays, '55, Edgar J. Winters, '53; Henry, surnamed Bolingbroke, Duke of Hereford, son to John of Gaunt, afterwards King Henry IV, William E. Caldwell, '53; Duke of Aumerle, son to the Duke, of York, Robert M. Davidson, '56; Thomas Mowbray, Duke of Norfolk, William J. McDonough, '56; Earl of Northumberland, Robert L. King, '56; Earl of Salisbury, Edmond L. Brasseur, '56; Bishop of Carlisle, Lawrence C. Rowe, '53; Sir Pierce of Exton, John R. Dooley, '56; Lord Ross, Harry A. Boyle, '53; Sir John Bushy, Sir John Bagot, Sir Henry Green, Serville creatures to King Richard, Louis P. DeBasse, '53, Louis G. Pecek, '53, Louis E. Buckley, '54; Duke of Surrey, Robert B. Bowen, '56; Lord Berkely, Raymond I. Bruttomesso, '56; Lord Essex, Peter J. Bellanca, '55; Lord Willoughby, John A. McGuinn, '56; Lord Fitzwater, Edward J. McAniff, '56; Sir Stephen Scroop, Francis P. Gilfeather, '54; Henry Percy, George R. Reney, '53; Lord Marshal, Gerard J. Carney, '56; Officer, Hugh J. Kelley, '56; Officer, Louis V. Consiglio, '56; Attendant, William A. Mottolese, '56; Attendant, Timothy J. Nelligan, '56; Keeper, Guy R. Peznola, '56; Groom, Alfred R. Maier, '54; Queen to King Richard, Miss Diane E. Wheeler, Clark '53; Ladies Attending on the Queen, Misses Dorothy B. McGrath, Clark '53 and Mary B. Morgan, Clark '56.

# Cross Five Splits With Friars And Indians

## Friars No Match For Crusaders As Purple Runs Away, 95 to 73

Togo Counts 21 As Team Runs Up Highest Score Of Year; Small Crowd Of 1,000 Views Contest

Last Saturday night, before a sparse house of about one thousand happily cheering fans, the Holy Cross Crusaders belted the Friars of Providence College by the lop-sided score of 95-73. To those, and there are so many, who did not see the game, a score like that may not seem ridiculous, but it really was.

Holy Cross opened up with a quick spray of hoops, mainly by Togo Palazzi and Jim Kielley. The Friars, however, led by Kenny Kerr and Hank McQueeney countered each Cross attempt to run away with the contest in the opening minutes. When Bobby Magilligan joined the Crusader point parade, Providence quickly wilted to a 29-21 deficit at the end of the first period.

To open the second period, the Friars managed to slow Magilligan down a bit, but they still couldn't stop Togo. The big boy stood at either corner of the court and pumped baskets in with the accuracy of a radar scope. Along with Ronnie Perry and Dave Nangle, he and the boys managed to run the score up to 56-11 at halftime. Nangle, who took Kielley's spot with about three minutes gone in the period, looked very good in his brief appearance, scoring five points.

The third quarter really turned out to be a beauty as far as Crusader point-getting was concerned. They scored 27 points in the period while the helpless Friars were gathering 12 markers. Togo, Earle Markey, and

Bob Magilligan led the spree, with Earle getting 9 in this period alone. Some of the shots that the Crossmen flipped through the hoop were unbelievable. At any rate, the score at the end of three periods was 83-53, with the Cross pulling away.

The pulling away stopped immediately when the one-minute mark of the last period arrived. In fact, the Cross started to push back. Coach Sheary showed a tremendous amount of mercy at that time. He put in the entire team to take care of any chance the Cross had of hitting the century mark.

**CHUCKLES** . . . The antics of the last quarter will not soon be forgotten by the people who saw the game. The fellows out on the court weren't as bad as they looked. With more experience together, they could do well . . . The foul shooting by the Cross was unusually poor. Togo, who had 21 for the evening, and Bobby Magilligan, who had 16, both missed a number of free throws. With their performance, however, they could well afford to miss a few. "Peanuts" looked even better than he did against St. John's.

## DARTMOUTH TEAM STUNS CROSS; WINS OVER SHEARMEN, 67 TO 61

By Bill Tully

Holy Cross' hopes for national prominence and at least New England domination were marred last Tuesday night by a fighting, aggressive Dartmouth five.

The Indians, under erstwhile Crusader coach, "Doggie" Julian, fought back from a disastrous first period to beat the slumping Crusaders, 67-61. It was an exciting, hard-fought game in which the Cross lost its fourth decision in eleven starts. The game can only go down in the pages of history as the inevitable "upset." The Crusaders threw the game wide open in the first period, 22-15. One point they were leading by points. Togo Palazzi and Bobby Magilligan paced the Cross with 7 points each. Bud Kielley was right behind them with 6. Glen Wilson scored 7 and Art Patterson 6 for the Indians.

However, Dartmouth, far from being discouraged, bounced right back in the second period. Under the leadership of their sophomore guard, Wilson, with Captain Fred Geig and water Paul Wisdom, the Indians closed the gap and forged ahead to lead at the half, 33-27.

Jim Lewis, Dave Nangle and Billy Supronowicz played most of the second period with Nangle accounting for three of the Cross' five points in the second quarter. Ronnie Perry got the other two on a long shot. The Cross just couldn't break the tight three-two zone defense of the Indians. They were never again to take the lead.

The second half was a closely played session. At one point, the Cross tied the score 41-41, but just couldn't keep up with the victory-lured Indians.

The third period saw the Purple

bounce back in the scoring column with Captain Earle Markey leading the way with 6 points. Six-foot, eight-inch Paul Wisdom, who seemed to be the sparkplug of the Green's defense, had four personals charged against him by this time and Julian rested him. In his absence, the Cross was able to fight back and come within two points of the lead, as the period ended with Dartmouth holding a 46-44 edge.

The last quarter sounded the death knell of the Crusaders' hopes. The Crusaders were always fighting, always aggressive but not hitting on their shots. Togo Palazzi was out a good portion of the period but, nevertheless, scored the most points with 7.

However, the flawless shooting of Glen Wilson and Fred Geig, plus a little help from Art Patterson and sub Larry Blades wrapped up the game for Dartmouth. Bobby Magilligan, who played fine ball all evening, racking up 11 points, fouled out in the middle of the period. Joe Early, who did a lot of hustling, drew four fouls in this disastrous quarter. Dartmouth led when the whistle blew, 67-61.

Wilson paced the winners with 18 points, followed by Art Patterson with 17 and Captain Fred Geig with 16. For the losers, Togo Palazzi led with 17, followed by Bobby Magilligan with 11 and Earle Markey with 12.

The loss was most disturbing since Dartmouth came into the game with a very unimpressive three won—seven lost record, their only previous victories having been over Suffolk, Middlebury and Vermont. The defeat also served to check the "bounce-back" drive of the Crusaders who had won two games since their loss to Notre Dame.

UP AND IN . . . Earle Markey (32) drives through for a layup against Providence College last Saturday night at the Auditorium. Others identified are Togo Palazzi (22), Bob Moran (12) and Hank McQueeney (15). Photo courtesy of Jim O'Malley, '53

## INTRAMURALITES

Intramural action again provided many thrills, spills, and some very fine basketball last week.

On Tuesday, the first of three games was between Wheeler III and the Dorm team. It was won by the Sophomores, 46-41. Jack Drislan led Wheeler with 14 while Bill Barry, with 17, was high for the losers. Alumni III defeated O'Kane IV, 43-25, as Tony Vitale scored 10 points. Simon Leis had 13 for O'Kane. Harry Wallum's 14 markers paced Wheeler II's 41-31 victory over Alumni I. Bob Johnson collected 12 for Alumni. Beaven III defeated Campion II, 2-0, by forfeit.

One game was played Wednesday. Carlin III overwhelmed Alumni III, 62-33, as George Unger hit for 15, Marty Cain 14 and Bill Campbell 11. Paul Bobbs hooked in 8 for the Juniors.

Four games were played on Thursday. Bob Dillon garnered 27 points for the Worcester Frosh as they defeated Alumni II, 62-43. For Alumni it was Bill Nazzaro and Leo Florentino with 16 and 12 markers, respectively. The Worcester Juniors nipped Beaven II, 28-26. Jack Bagley scored 8 for the winners and Joe Harrington 10 for the losers. In another close one, Carlin II edged Wheeler III, 51-47, as Pete Naton and Jack Lonergan each scored 14 and Bob Kelly 13. Top man for Wheeler and for the game was Jack McGreevy with 19. High flying Wheeler V walloped Beaven III, 76-28, as Dave Boardman and Matty McLaughlin hooped in 28 and 25 points, respectively. Den Donavon added 10. Ed Devine's 9 was tops for Beaven.

There was also a full schedule on Friday as four games were played. Carlin I swamped the Worcester

Frosh, 73-42. Joe Kirby led the attack with 22 as John O'Connor and Bob Simmons added 15 and 10, respectively. With Rufus Duff showing the way with 19, Wheeler IV downed Fenwick IV, 36-32. Jack Carroll had 8 for the losers. O'Kane IV was victorious over winless Wheeler V, 38-32, as Don O'Brien scored 12 points. For Wheeler, Myles Amend had 8. In the last game of the day, the Worcester Juniors won over Fenwick IV, 47-37. Fran Beauregard, with 15, and Loring Lamereaux with 13, led the attack. High for Fenwick was Dick Dillon with 15.

The final three games of the week were played on Saturday. Wheeler II registered a 44-38 win over Carlin III with Tom McLoughlin hitting for 15 points. For the Seniors Tom Mayers had 12. Wheeler V lost their second game of the week to Alumni II, 92-47, as four men hit for double figures. They were Jack Leverty with 23, Ed Ney with 22, and Tom Mitchell and Art Phelan with 17 and 14 points, respectively. Bill Bartik and Myles Amend each chalked up 14 in a losing cause. In a real thriller Carlin I eked out a 39-38 win over O'Kane IV. Jim Hogan topped the winners with 10 but Simon Leis copped scoring honors for the game with 19 in a losing effort. In the final game, Ed Donavon's 17 paced Wheeler I to a 49-41 victory over Alumni I. Jack Keenan played a brilliant game and contributed 28 points in a futile effort for victory.

The week's contests proved to be extremely profitable for the various Senior teams as they won four games while losing but one. The Freshmen teams also enjoyed a successful week of action.

## Crusader Track Team Ready For K.C. Games

McConnachie's Injury Could Hamper Squad's Chances This Weekend

By Jim Snyder

With the indoor track season officially opening this Saturday night in Boston, the Holy Cross track team stands ready to display their wares to the audience in the Garden. The K. of C. meet Saturday will feature a Crusader mile and two mile relay team, two hurdlers and a sprinter.

The key to the two relay teams, however, lies somewhere within the back of Bruce McConnachie. Informed last week by his doctor that he should take a month to rest a spine injury incurred six months ago, Bruce will most likely not see action.

Jerry O'Leary, having shed his kidney pads for track shorts, is set to lead off the mile relay squad, always Coach Bart Sullivan's favorite. Jerry has shown marked improvement since coming down to the board track.

Also set to go in the mile relay are Joe Devane and Pete Sanderson, only juniors and already veterans of the indoor arena meets. They will be bucking stiff competition for a spot on the team from the likes of Ben Cox and Bob Sweeney.

The two-mile team is depending on middle distance aces Bob Corboy, Paul Murphy and Jim Rowan for its strength. They stand a good chance of winning their race if they have McConnachie to anchor them.

Captain Phil Sullivan leads a flight of hurdlers and sprinters to the Garden Saturday night. He and Paul Dupuis have spent the week looking over the entry lists for the hurdles and shaking their heads over the names of the entrants. Virtually all the Olympic finalists will be in Boston on Saturday.

Old Man Winter, up to his usual nasty tricks, tried to do a complete snow job on the Crusader cindermen last weekend, but the tracksters thwarted him by moving indoors, conducting three weekend workouts in the Fieldhouse with excellent results.

## Holy Cross Swimmers Face Quonset N.A.S.

The Holy Cross swimmers faced one of the crucial tests of their season last night as they journeyed to Boston to duel M. I. T. With a present season's record of 2-2, including a practice victory over Worcester Academy, the mermen were slight underdogs to capture win number three.

Another important meet for the Crusaders will be held tomorrow afternoon at 4 p.m., as they meet the Quonset Naval Air Station at the Worcester Y. M. C. A. Holy Cross has beaten Quonset six times over the past three years.

Last Saturday afternoon, the swimmers played host to a powerful team from Springfield College, and were unmercifully dunked, 61-23. Holy Cross won only one event, the first one, as Jack Gallagher, Joe Kerwin and Tom O'Brien teamed up to win the medley relay.

# PURPLE PENNINGS

By Bob Dorton, Sports Editor

## CAN THEY COME BACK? . . .

The Holy Cross Crusaders, with their recent clashes with Providence and Dartmouth "gone by the boards," await now the second half of the 1952-53 campaign. The Cross five will resume operations after the annual exam period two weeks from Saturday when they meet a Columbia University club that features Jack Molinas, the lad who poured 39 points through the nets against them last year.

And peering into the second half of the campaign immediately brings up a question which seems to pervade the campus these days: Can the Cross finish the season in a blaze of fire and go on to NIT glory? Many of those who remember the 1946-47 campaign seem to think so. That year, the Cross lost three of its first seven games and seemed to be headed for a mediocre season, but the weeks began to roll by, and the Cross began winning game after game—they won and won, and when they finally sat down and counted the victories, they had won twenty-three in a row! That was the year the Crusaders barged into the NCAA and walloped Oklahoma for the national title! Can it happen again here on the Hill? It can, and we sincerely hope that it will.

## FOND FAREWELLS . . .

And it is with that hope that this scribe writes his twenty-third and last article for "Purple Pennings." With the annual change in staffs, the time has come to say "thank you" and, in some cases, "farewell" to the men who have brought you the sports news.

First, of course, is Senior Bob Unsworth, Assistant Sports Editor. Bob made the jump from the news to the sports staff last March, and, after never having written a sports story before, developed an excellent sports writing style. To him we are now, and always will be, sincerely indebted for his fine work and splendid co-operation. Then, there's Editorial Editor Jim Snyder, who could always find time between an unbelievable schedule (he voluntarily carries three extra courses) to write a ball game or a track story. Jim teamed with industrious Frank "We'll-Rustle-Up-a-Quick-Feature" Geishecker in bringing you the pre-game predictions during the fall. Many thanks also to Tom Dolan, a late-comer to the staff, who did a nice job on several player-features throughout the year.

Then there are the Juniors, headed by Tom Gray. Big Tom, who can write as fluently as he can talk—and if you know him, that's quite a compliment—has been a tremendous value in putting out the sports page. Many, many thanks also to guys like Mike Matarazzo, Matt Boylan, and Jack Donovan for their fine work.

Getting down into the "lower regions," Sophomores and Freshmen, we tip our hat to Sophomore Bob McCormack, who has written tremendously well all year long. Talented Robert is what you would call "the sports editor's kind of sports writer." Then there are two freshmen writers, Dave Janick and Gene Schayer, who have come along nicely in handling the intramurals. You will hear a lot more from them as the weeks go by.

Then there are our regular staff photographers, Harry Gillis and Wally Mahoney and headline writer Lou Songer who have all chipped in nicely to put out the Sports Page. I would also like to express my appreciation to the entire staff at Stobbs Press and Johnson Engravers for their splendid work.

## AND MANY, MANY THANKS . . .

Our sincere thanks, also, to Bob Simmons and Len Quigley, the Editors with whom I have worked on this paper and whose help and encouragement has been sincerely appreciated, and to Father Arthur Madden, S.J., our Moderator, for his helpful counsel. Then, too, there's Mr. Jerry Healy, Holy Cross Director of Sports Publicity. Jerry has found time in his rugged 70-hour week to "feed" sports information into the ever-hungry staff writers. To him and to the entire staff of the Athletic Association we are deeply grateful.

So that's the story. I hope that the staff has brought you an enjoyable sports page over the past year and that no one was offended in any way by statements made on these pages. Any criticisms made were strictly from an athletic rather than a personal viewpoint.

## Brooklyn Bomber Stars As Holy Cross Squad Shoot and Jump Artist

### Magilligan Adds Win Power To Cross Five

By Bob Unsworth

The test of a well-balanced basketball team often lies in the ability of its so-called fifth man. Frequently, he supplies the spark that knits teamwork and means the difference between victory and defeat. Holy Cross has found just such a man in Brooklyn's Bob Magilligan.

St. Michael's High of that famous borough is especially appreciative of that fact, for it was there that Bobby gained his first fame. Teamed up with center Jim "Bud" Kielley, Magilligan was one of the leading scorers in the city and was a selection for All-Metropolitan honors in his senior year.

Fortunately, Bobby's first choice was Holy Cross. Under "Hop" Riopel in his first year on the Hill, he was a chief mainstay on an undefeated Freshman five. Coach Sheary was not hard put to discover his exceptional talent and by Junior year Bobby was scoring heavily for the varsity. But midway through the season he developed bone chips in his right ankle, an injury that put

Bob Magilligan

him in the hospital for an operation and out for the remainder of the season.

The boy that Coach Sheary had called "the best driver in collegiate basketball" is back at it again this season and reports no ill effects from his operation. Counted on for big things as the fifth man and key playmaker on this year's team, "Peanuts" started strong and then hit a bad slump during the three-game Dixie Classic. The young, blond Senior was back at it again last week though, dropping in beautiful off-balance shots and pulling the entire Cross team out of a three-game losing streak. All in all, he tallied 31 points in last week's games and proved himself to be the balance of the Purple give-and-go attack. Against Providence College last Saturday night, he hooped 16 points and passed off for many more as the Crusaders swamped the Friars 95 to 73. Three days before, his dare-devil drives under the bucket helped the Purple whip Connecticut, the number one and, it would seem, only contender for the New England basketball crown.

A good B.S. Business student off the court, Bob has his sights set on a business career after graduation in June and that inevitable stretch for Uncle Sam.

## SCRAPPY, VALUABLE RON PERRY SPARKS PURPLE IN TWO SPORTS

Fifteen thousand fans began to scream and cheer. Papers from all over the old arena began to fall to the floor. Signs like, "Win with Somerville," "Let's go, Perry," or "Sink 'em, Ronnie," could be seen in any section of the Garden. The noisy display lasted fully ten minutes. The reason was that Ron Perry had just led the Somerville five onto the court. The big crowd was rooting for them to retain their New England crown. They were also rooting for the most popular amateur athlete in the Boston area.

There was good reason why Ronnie had become the people's choice. He made them forget another great Somerville athlete, Tony Lavelli. During his three years on the varsity Ron scored 1,150 points for a game average of 18. Included in his honors were: All-State, three years; All-New England, two years; All-America, one year. In his Junior year, the team took the N. E. title.

After the season ended, Ronnie joined the baseball squad. His two-year total was 15 won and four lost. When not pitching, he patrolled the outer garden. His batting average was a neat .300 for two years. For most people, these activities would be enough, but not for Ron. He was also President of his class, President of the Student Congress, President of the Eastern Mass. Student Congresses, and a member of the National Honor Society.

Caught by the rainbow of the Kaffan-Cousy-O'Connell Crusaders, Ronnie dreamed of some day playing at the Cross. When a chance did come, he accepted it over 35 others. On a great Frosh five, Ron finished second to Togo Palazzi with 350 points and

a 17-point average. Last year, Ronnie finished third with 286 points. His great value is best shown in the three overtime games the Cross won over St. Louis, Columbia, and B. C. Ron scored a total of 17 points and did not miss an overtime shot in the first two. This year, Ron's average is pushing 13 points per game. Besides this, his scrappy floor play makes him even more valuable.

As great as his basketball feats have been, his baseball accomplishments have been even more astounding.

Ron Perry

ing. Of the seven games the Freshmen won, Ronnie got credit for five. Last year, he won five of the team's fifteen wins. In the N. C. A. A., Ron triumphed over Texas and previously unbeaten Missouri to help pace the team to the national title. Which ever sport you look at, Ronnie Perry has been a real champion.
